

## A DAY IN AIX LES BAINS

*In Aix-les-Bains, the "Riviera of the Alps", the panoramas are available to the dazzled eyes. The lapping of the waves, the song of the birds and the wild scents of the forest, it reminds us of the emotions of our childhood. Aix-les-Bains is above all, a real invitation to travel. A trip to get out of his time, his daily life, to live at his own pace, while enjoying the many activities available to visitors.*

**Departure from the hotel at 9 am - Arrival in Aix Les Bains at 11 pm.**

### **Guided tour of 2 hours.**

This guided tour begins with a visit to the Thermal Park; continued to the town hall square with the Arc of Campanus and will end with a visit to the old thermal baths.

Discover the historical center of Aix-les-Bains with this tour that shortens the time and makes you travel through the centuries: from the Roman period with the Arc of Campanus until the 19th century, the development of worldly and aristocratic thermalism.

Let yourself be seduced by the richness of the thermal park and the variety of the gardens in total respect of the environment and having received the highest distinctions.

The ancient thermal baths of Aix-les-Bains have the unique feature of preserving in the same building all the strata of the thermal history of the city, from the Roman period to the 20th century. Their visit revives this evolution and makes possible to discover an exceptional architectural and technical heritage.

**3 pm - 4 pm:** Discovery Cruise on the Lake narrated by the captain

**4 pm - 5 pm:** Free time: Walking, Shopping, Pedal boats, Paddle boats, Rowing boats, Rosalie, VTT, etc.

**Departure from Aix Les Bains at 5 pm sharp.**

## A DAY IN ANNECY

*Its blue-green lake and canals that run through the old town gave it the nickname "Venice of the Alps". With its renowned tourist attraction, the quality of life and the surrounding mountains, Annecy is a tourist town that has preserved its charm and authenticity for the pleasure of holidaymakers.*

### Departure from the hotel at 9 am - Arrival at Annecy at 11.30 pm

#### **Guided tour of 2 hours.**

This guided tour begins with a presentation of the gardens of Europe; continue on the Pont des Amours, and will end with the visit of old Annecy.

A walk on the Paquier and in the gardens of Europe by taking the «bridge of loves». On the border between the old town and the newer districts, this walk accessible to all is adapted to the envy, thanks to the numerous paths usable. In winter, the lake is often incredibly quiet, while in summer the boats blow the lake to the horizon.

The Visit of the old town of Annecy, a passage in front of the old prisons and a small raidillon until the castle of Annecy which overlooks the old districts. Nothing better than an afternoon in the middle of the paved roads of Annecy to dive into the heart of the city with four bell towers. The canals and old buildings lead the visitor into an accessible and yet very distant past.

**2 pm:** Picnic at the Champs de Mars

**3 pm - 4 pm:** Discovery Cruise « Grand lac » on the Lake of Annecy narrated by the captain.

**4 pm – 5 pm:** Free time: Walking, Kayaking, Pedal boats, Electric bikes, Segway, Diving in the lake, etc.

### Departure from Annecy at 5 pm sharp.
